

CHAPTER III

DESCRIPTION OF UNGU AND DENGAN NAFASMU SONG

3.1 *Ungu* 's Biography

3.1.1 Background of *Ungu* Formation

Ungu is a rock band formed in Jakarta, Indonesia in 1996 with Makki as the only remaining original member. The group comprises vocalist/guitarist Pasha, guitarist Enda & Onci, bassist Makki, keyboardist Gatz and drummer Rowman. *Ungu* is known for their hit singles, such as "*Demi Waktu*", "*Tercipta Untukku*", "*Andai Ku Tahu*" and "*Kekasih Gelapku*".

The original members of the band are guitarist Ekky, drummer Pasha Van derr Krabb and vocalist Michael. In 1997, Pasha Van derr Krabb left the band and was replaced by Rowman. In 2000, *Ungu* focused efforts on their release album. *Ungu* has also released "*Hasrat*" and "*Bunga*" for a compilation album Klik.

Ungu released their first full-length album, *Laguku* in July 2002. Their first single "*Bayang Semu*" was used for a soundtrack in ABG (RCTI). Even though the album was considered success, it reached Platinum Award after two years of its release date.

Just before starting the new album, Ekky decided to leave the band in 2003. His position was replaced by Oncy who had just left *Funky Kopral*.

Ungu released its second album *Tempat Terindah* in December 2003. The album spawned a hit single "*Karena Dia Kamu*" and "*Suara Hati*". The album sold 150. 000 copies. *Ungu* has also collaborated with Chrisye in *Senyawa* album. *Ungu* successfully recorded new materials for their next album in 2005 and released their next album *Melayang* in December 2005.

This new album had put *Ungu* into the spotlight with their hit single "*Demi Waktu*". The single received massive airplay in both Indonesia and Malaysia, which causes four record labels in Malaysia to own *Ungu*'s copyright to distribute the album in Malaysia. Malaysian's Suria Records who, owns Siti Nurhaliza, won the copyright. The album received good reviews from both Malaysian and Indonesian critics.

Ungu released a mini album, *SurgaMu* to celebrate *Ramadhan* in December 2006 and 150. 000 copies sold in 15 days. In 2006, *Ungu* was nominated for Most Favorite Band Duo in MTV Asia 2006 Awards, Best Video Director "*Demi Waktu*" Abimael Gandy and Video of the Year "*Demi Waktu*" (wikipedia/*Ungu*, accessed on December 1th 2009, 07: 34 am).

3.3 Background of *Aku dan Tuhanku* Album

The Making of third religious album titled *Aku dan Tuhanku*, based on some personal experiences suffered by the

personnel of *Ungu*. As a musical group, which has entered the music market of Indonesia, *Ungu* claimed always to exist with new artworks. The existence of *Ungu* until nowdays has colored many events and incidents relating to the meaning of life. This motivates and pushes *Ungu* to create a work through the emotional song that can inspire them and their fans for the better. Chosen title *Aku dan TuhanKu*, clearly suggests a relationship between man and his God (*Hablumminallah*). Relationship refers to the worshipping relationship between human and creator. God created man to worship Him. Through this album, *Ungu* invites their fans to understand the nature of human relationships and his god.

Some of the title on the album includes *Dengan NafasMu*, *Hidup Hanya sementara*, *Syukur*, *Doa yang Terlupakan*. In the editorial title of the song all have the essence of the relationship with God. In this religious album more touch with a rock and wither (*Melayu*). They left the music of the desert, because he wanted to give something different and show a new image that a religious song is not only with such music. *Ungu* still insert rock elements even though the song is a song that promoted a religious value. This strategy used by *Ungu* to achieve the audiences of young people as the target of his preaching.

3.4 The Description of *Dengan NafasMu* song

This group is never ending creation in composed the easy listening song with the nice lyric so that their songs are very adhering for the music lovers. Even to the third of their religion albums. Carrying the hit single With Your Breath (*Dengan NafasMu*), *Ungu* tried to invite the listener to sing happily and have a good behavior.

This song was created by Enda, the guitarist. Its creation does not getting loose from the emotional of personnel, where they had an experience in some events that bring nearer with the death. Enda said: "I create this song intentionally to invite you in a self-movement. This song would be a teacher for all of us" (deny13.multiply.com/journal, accessed on April 9th 2010, 12: 23 pm).

The clip video was made in historic railway station Tanjung Priuk, North Jakarta. The process of making clip video is trusted to Abimael Gandi as a film director for about 2.5 Months. While the model played by Sarah Jane. Plot of the story *Dengan NafasMu* clip tells us about a broken home girl. She tried to look for the meaning of life midst the conflict between them. One day, she saw a mom accidentally crashed by car. From that incident, she starts to muse over. Suddenly,

she saw the luminiferous from the holly book, (Qur'an) saved in the drawer. It guided him return to her mother.
