

CHAPTER V

CONCLUSION

A. Conclusion

After describing the result of observation, the researcher can draw the conclusions. Based on the result of observation in *The Use of Chain Picture as A Medium For Developing Students Writing Skill of Narrative Text(A Classroom Action Research at Eighth Grade Students Of SMP Negeri 1 Blora in The Academic Year of 2009/2010)*, the conclusions are as follow:

- The students are more interested to write a narrative text using chain picture media, because chain picture contains of the chronologically from a story. It can make the students easily to write a narrative text.
- From the step of pre-test, first cycle and second cycle can see that chain pictures can improve the students writing skill of narrative texts to the eighth grade of junior high school students. It was supported by the significant result of the last cycle that was higher (71.26%) than the pre-test (49.41%).

B. Suggestion

As a result of the research, the writer gives some suggestions for all the readers of this thesis. The purposes of the suggestions are for reforming the teaching-learning process, especially in writing narrative text.

1. For the students
 - a. The students should study harder than before, because English as foreign language is one of difficult subjects as they considered. And they have to learn from the mistakes that they make before. So, they will not repeat the same mistakes.
 - b. The students have to bring a dictionary for helping them enrich and get the meaning of difficult vocabulary items.

- c. The students also have to learn about the kinds of text or kinds of genre.
2. For the teachers
 - a. The teacher should be patient and ready to guide the students in facing their weakness and difficulties when they learn writing English.
 - b. Teachers' explanation should be clear and easy understood by the students.
 - c. The teacher should teach the students by using interesting media and method.
 - d. The use of interesting media and method to teach is for making students enjoy the learning process. It also makes them interested and the situation of classroom is not boring.
 3. For the readers

The writer hopes this thesis can be useful for the readers. So, they know that using chain picture media in teaching writing of narrative text is effective. It will help students express their ideas writing of narrative text.

C. Closing

The true praise is only belonging to Allah, who gives power and health until this final project can be finished. The writer is sure that this research is far from the perfectness. Therefore, constructive criticism and advices are really expected. Finally, the writer hopes that it can be useful for her and for the readers in general.
