

CHAPTER V

EPILOGUE

A. Conclusion

After doing research about conflict resolution ethic of Ratu Kalinyamat, researcher conclude some points are:

1. Conflict resolution of Ratu Kalinyamat for solve the conflict.
 - a. Ratu Kalinyamat succumbs to the conflict.

After the conflict that ended with the death of her beloved family, Ratu Kalinyamat avoid conflicts by performing the hermitage. When people get a Java problem that could not be completed. Javanese people avoid such conflict, conflict with silence go from the situation and location of conflict. As a Javanese proverb *wani ngalah luhur wekasane* (would later in the day he will get the glory of it).

- b. Be patient to get the right answer to the conflict.

Arguing that the Arya Penangsang is milky there is no person who was able to outmatch. Ratu Kalinyamat sincere leave sparkling life at Court, she lived as a hermit, begged the Almighty so that people who kill are judged according to the error that has been caused, as the Arya Penangsang at that time was considered to have been doing a lot of crime and murder that deserves to be tried.

2. Conflict Resolution of Ratu Kalinyamat in view of modern conflict resolution

In modern conflict resolution explained that there is an ethics in seeking a solution in a conflict. It also kept in accordance with the situation and the existing conditions.

- a. Negotiation

After the death of Sunan Prawata, Ratu Kalinyamat encountered Sunan Kudus who was also the teacher of Aryo

Penangsang and very loved by and also figure highly in respect of teachers by Ratu Kalinyamat to ask for Justice over the treatment of Arya Penangsang to his brother Sunan Prawata.

b. Avoid the conflict

One of the attitude or the ethics of conflict posed by avoiding conflict. By avoiding the subject of conflicts sometimes aim to go as far from conflict or even contrary to seek something that is able to end the conflict as it is by searching for a strategy to deal with the conflict. The strategies used in this method with refuse, escape, aamenyangkal, dismiss, withdraw, postpone.

c. Against the conflict

Aside from the conflicts, the avoidance of conflict as well as there are times when these conflict with competing against. Conflicted person trying to end the conflict by means of conducting competitions or resistance to those who started the conflict. Ratu Kalinyamat resistance can be seen from the contest and pledge of Ratu Kalinyamat.

B. Suggestion

In this discussion of the ethics of conflict resolution Ratu Kalinyamat, author wish there was a review again so that many references or writings relating to the life of Ratu Kalinyamat, because one factor fame Ratu Kalinyamat in Javanese history was when he became a figure able to resolve conflicts.

And it also needs to be examined again with regard to the Ratu Kalinyamat is about a woman who is very very good, living in the time of feudalism that is able to lead the country up to international.
