

CHAPTER V

CONCLUSION

A. Conclusion

From several analyses in the research it was found that for reading $\text{sig} = 9.7\% > 5\%$ then H_0 is accepted which means the reading achievement of SPMB is no different with reading achievement of PSSB. For writing $\text{sig} = 0.484 = 48.4\% > 5\%$ then H_0 is accepted and H_1 is rejected. So the average writing achievement PSSB class is no different than writing achievement SPMB class. For speaking $\text{sig} = 0.808 = 80.8\% > 5\%$ then H_0 is accepted and H_1 is rejected. So the average speaking achievement PSSB class is no different than speaking achievement SPMB class. By contrast, for listening $\text{Sig} = 0.008 = 0.8\% < 5\%$ then H_0 is rejected and H_1 is accepted. So the average listening achievement of PSSB classes are different with classroom listening achievement SPMB.

B. Suggestion

As a result of the research, the researcher gives some suggestions for all the readers of this thesis.

1. For the students

There are ways to learn English easily, interactively, and more fun. When you find difficulties in English don't be afraid of asking to the English teacher who have competence in English. Students should study harder than before, because

English as foreign language is one of difficult subjects as they considered. They have to learn from the mistakes that they made before. So, they will not repeat the same mistakes.

2. For the teachers

Teachers' explanation should be clear and easy to be understood by the students. The teacher should teach the students by using interesting ways, for example using movie.

The use of interesting method or way to teach is for making students enjoy the learning process. It also makes them interested and the classroom atmosphere is not boring.

3. For further researcher

The further researcher can compare the other achievement of English in other departments.

The writer hopes this thesis can be useful for the readers. So, they will know that using Aladdin fairy tale movie is effective. It will help students interested and memorize vocabulary easily.

C. Closing

The true praise is only belonging to Allah, who gives power and health until this final project can be finished. The writer is sure that this research is far from the perfectness. Therefore, constructive criticism and advices are really expected. Finally, the writer hopes that it can be useful for her and for the readers in general.
