From all the data analysis about using Song Lyrics in improving students' grammar mastery of Conditional Sentence with Students of Eleventh Grade Scientist 1 of MAN Pematang in the Academic Year of 2013/2014 can be concluded that:

1. This research shows that the use of Song Lyrics can help the students to solve their problem to understand the material of Conditional Sentence.
2. The use of song lyrics facilitates the students to improve their ability in mastery of conditional sentence. It is showed from the result of each cycle. The result in cycle one was 73.4 and cycle two was 77.6.

B. Suggestion

In teaching English, the teacher must create fun atmosphere, enjoyable and interesting situation as possible as the teacher can such as using song lyrics because music can break the usual routine. In other word, the teacher should make teaching learning process more interesting because students like to learn when they are enjoying themselves.

The writer considers some suggestions in order to improve ability in writing skill, especially for the teacher and the students. The writer's suggestions are as follow:

1. For the teacher:
 - a. The teacher must have some strategies and ways to enrich their teaching techniques and avoid using monotonous techniques.
 - b. Teacher is suggested to be creative in teaching the materials, because by giving interesting media or technique, it can make the students interested in learning and the students can easily receive and understand the material.
 - c. The teacher of English subject should give motivation to the students.
2. For the students
 - a. Students should not be afraid of making mistake and worried about their ability in making sentence, especially conditional sentence.
 - b. Students should keep studying and learning to improve their ability in grammar mastery, especially conditional sentence by improving their vocabulary and grammar from other media.

Finally, the writer realizes that this thesis is far from being perfect, so that, constructive critics and advice really expected

for the perfection of this thesis. Hopefully, this thesis will be useful for all. Amin.
