

CHAPTER V

CONCLUSION

A. Conclusion

From research that have been done, it can be concluded that there is positive correlation between *tawakkal* and self concept. Hypothesis of this research has been truly answered. The result of product moment analysis between *tawakkal* and self concept is obtained that the coefficient of r is 0,532. With significant value is 0,000 below 0,001. It is very significant. It means the correlation between *tawakkal* and self concept is positive correlation. The higher the level of *tawakkal* will make the level of self concept to be higher as well.

B. Suggestion

Technically, this research has been finished. But actually it is far from perfect because researcher is just ordinary person who has many flaws. Researcher was actually aware of many flaws in this research. Researcher has many suggestions about this research:

1. To academic

It is expected from the results of this research can provide input to the campus and students, especially for FUPK depag students period 2009, to further increase the level of his *tawakkal*, due to the *tawakkal* of high, it will increase the self-concept of student's.

2. To the further researcher

The results of this research can be input to treasure of Tasawuf and Psychotherapy in particular as well as in practitioner, to the next researcher who interest in the same problem, is expected to examine this issue with a wider range by adding the other variables that have not been revealed in this research. Beside to consider some weaknesses in this research in order to be attended.

C. Closing

Those what the writer could perform about *tawakkal* and self concept. Praises be to Allah, who has given everything to the writer. Because of His love

and compassion, the writer would be able to complete this final task well on time that she wishes. Although the writer almost felt uncomfortable during completing this final task, but it is only one process that will make her to be better. It seems like there is no useful obstacles felt by the writer, surely, it because Allah is always by her side. Peace and salutation may be upon to beloved prophet Muhammad SAW, his inspiring attitude, indeed, inspires the writer strongly and bravely in facing the storm eventually comes closer in the process of work settlement.

From the depth of the heart, the writer says thanks to all those who have helped resolve this paper. The writer hopes that this paper provides a useful contribution for the science. Nothing is wasted in this world, blood, tired, and tears watered this paper in the course of settlement may provide a lesson for the writer. As common human being, the writer is impossible free from mistakes, thus, she really excuses for those errors. And finally, to make her to be better, she needs critiques and comments that are constructive.
