

## CHAPTER V

### CONCLUSION AND SUGGESTIONS

#### A. Conclusion

After the writer finishes the previous chapters, she will draw some conclusions as the result of the study on the effectiveness of using in teaching English articles with the third graders students of MIN Purwokerto in the academic of year 2010/2011.

Based on the hypothetical test and discussion of the data analysis in the previous chapter, the conclusion can be drawn that the teaching of teaching English articles using songs are more effective at III Utsman bin Affan students of MIN Purwokerto.

It is can be seen from the results of test score showing that the experimental class that were given treatment using songs as media got higher score that was 77.416 compared with the control class who did not get treatment using songs as media that was 70.5.

Based on the t-test with standard of significant 5%, it is found  $t_{count} = 2.712$  with  $t_{table} = 2.00$ . Because  $t_{count} > t_{table}$ , so there is real difference between results of the study of learning using song as a medium and learning without using song as a medium. Consequently based the testing, the process of learning English using songs as media is effective.

#### B. Suggestions

Based on the result of this research with positively indicates that there is positive effect of using songs as media in teaching English articles. Some suggestions for the teaching learning English are proposed as follows:

1. To the teachers
  - a. The creativity of the English teachers is needed in teaching English, as their duties to transfer the knowledge of English to the students.
