Murphy Starts New Year with Marriage

LOS ANGELES: Actor Eddie Murphy celebrated New Year's Day by tying the knot with film producer Tracey Edmonds, their representatives told *People* magazine.

The pair exchanged vows Tuesday on a private island off Bora Bora in French Polynesia in front of a small group of family and friends, the magazine reported.

Murphy and Edmonds began dating last year and were engaged in July.

Murphy, 46, has five children from his marriage to Nicole Mitchell Murphy, who filed for divorce in 2005. He also has a daughter with Spice Girls singer Melanie Brown.

Edmonds, 40, has two sons from her 13-years of marriage to singer Kenneth "Babyface" Edmonds. As head of Edmonds Entertainment group, Inc., she has produced the film and television series *Soul Food*. Murphy's film credits include *Dreamgirls*, *the Beverly Hills Cop*, *The Nutty Professor*, *Shrek*, and *Dr. Doolittle* movies.

W. Jakarta Fire Claims Four Lives, Damages 20 Homes

Jakarta. A fire in a densely populated area of West Jakarta claimed four lives and damaged at least 20 homes at the early hours of Tuesday.

Pardjoko, head of the West Jakarta Fire Department, said the blaze started at around 1.15 a.m. on Jalan Jembatan Besi in Tambora, reportedly sparked by an electrical short circuit.

A family of four was killed as they failed to escape the burning house, Pardjoko said, adding that 20 rented homes were also damaged.

“They [the victims] are a family — father, mother, a son and a daughter,” Pardjoko said.

Indonesia on high alert after Jakarta attack

Jakarta—The National Police have tightened security across the country following suicide bombings and armed attacks in the heart of the capital on Thursday. National Police spokesman Insp.Gen. Anton Charliyan said that as of 5 p.m. Thursday, an alert one status was implemented nationwide. The status was escalated for all relevant agencies and officials to maximize security, especially in terror-prone areas, such as police posts, government offices, foreign-associated sites and embassies, he said on Thursday evening. “[We are] on full alert because we cannot predict [terrorists’] movements. Their hiding places are not only in Jakarta or in Java but throughout Indonesia,” he said, urging people to be aware of their surroundings and to cooperate with the police. The blasts and gunshots on Jl. MH Thamrin in Central Jakarta on Thursday afternoon claimed seven lives, including five terrorists, police confirmed. The police have coordinated with the Indonesian Military (TNI) regarding security measures. Authorities have also tightened security at airports across the country.

Mirna's father appeals to Jessica for honesty

Darmawan Salihin, the father of Wayan Mirna Salihin, is urging Jessica Kumala Wongso to cooperate with the Jakarta Police by telling them anything she may know about his daughter's death from drinking poison-laced coffee.

“Once more I remind her not to lie [to me and the police]. She claims she drank mineral water at the time,” Darmawan said on Tuesday after being questioned by the Jakarta Police. Darmawan said he saw the cafe bill and no mineral water was listed, only two cocktails and the coffee that killed Mirna.

Darmawan also rejected a recent report saying that Jessica was close to Mirna and her family. Darmawan claimed that he first met Jessica when he visited Mirna at the Abdi Waluyo Hospital in Menteng, Central Jakarta, moments before she passed away.

“The point is that my daughter died because of the coffee that she ordered and paid for. You all know who she is,” Darmawan said, indicating his suspicion of Jessica.

UJI HOMOGENITAS DATA

Hipotesis
 $H_0 : \sigma_1^2 = \sigma_2^2$
 $H_1 : \sigma_1^2 \neq \sigma_2^2$

Kriteria:
 Ho diterima jika $\chi^2_{hitung} < \chi^2_{(1-\alpha)(k-1)}$

Pengujian Hipotesis

Sampel	n_i	$dk = n_i - 1$	S_i^2	$(dk) S_i^2$	$\log S_i^2$	$(dk) \log S_i^2$
A	31	30	107,85	3235,44	2,0328	60,984
B	31	30	74,29	2228,71	1,8709	56,128
Σ	62	60	182,14	5464,15	3,9037	117,112

Varians gabungan dari kelompok sampel adalah

$$S^2 = \frac{\Sigma(n_i-1) S_i^2}{\Sigma(n_i-1)} = \frac{5464,1451}{60} = 91,069$$

$\log S^2 = 1,9594$

Harga Satuan B

$$B = (\log S^2) \Sigma (n_i - 1)$$

$$= 1,9594 \times 60$$

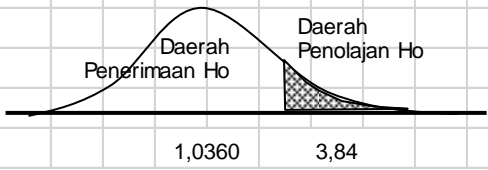

$$= 117,56$$

$$\chi^2 = (\ln 10) \{ B - \Sigma(n_i-1) \log S_i^2 \}$$

$$= 2,3026 \left\{ 117,56 - 117,1123 \right\}$$

$$= 1,036$$

Untuk $\alpha = 5\%$ dengan $dk = k - 1 = 2 - 1 = 1$ diperoleh $\chi^2_{tabel} = 3,84$

Karena $\chi^2_{hitung} < \chi^2_{tabel}$ maka data antar kelompok homogen

UJI KESAMAAN DUA VARIANS DATA NILAI AWAL ANTARA

KELAS X B DAN X C

Hipotesis

$$H_0 : \sigma_1^2 = \sigma_2^2$$

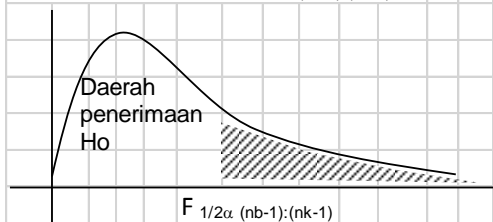

$$H_a : \sigma_1^2 \neq \sigma_2^2$$

Uji Hipotesis

Untuk menguji hipotesis digunakan rumus:

$$F = \frac{\text{Varians terbesar}}{\text{Varians terkecil}}$$

H_0 diterima jika $F \leq F_{1/2\alpha (nb-1):(nk-1)}$

Dari data diperoleh:

Sumber Varians	X B	X C
Jumlah	2990,00	1774,50
n	31	31
\bar{x}	96,45	57,24
Varians (s^2)	74,2903	107,8479
Standar deviasi (s)	8,62	10,38

berdasarkan rumus di atas, diperoleh:

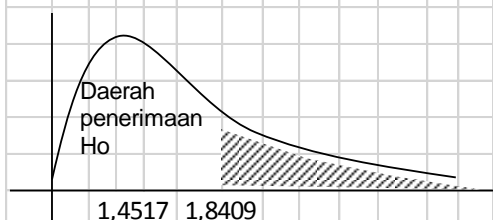

$$F = \frac{107,8479}{74,2903} = 1,452$$

Pada $\alpha = 5\%$ dengan:

$$dk \text{ pembilang} = nb - 1 = 31 - 1 = 30$$

$$dk \text{ penyebut} = nk - 1 = 31 - 1 = 30$$

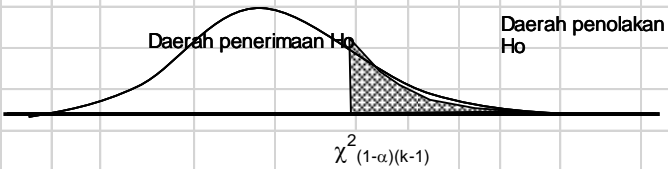

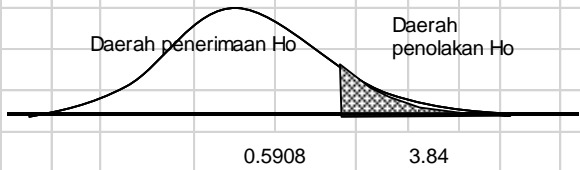

$$F_{(0,025)(30:30)} = 1,84$$

karena F berada pada daerah penerimaan H_0 , maka dapat disimpulkan bahwa kedua kelas homogen

Indonesia on high alert after Jakarta attack

Jakarta—The National Police have lightened security across the country following suicide bombings and armed attacks in the heart of the capital on Thursday. National Police spokesman Insp Gen. Anton Charliyan said that as of 5 p.m. Thursday, an alert one status was implemented nationwide.

The status was escalated for all relevant agencies and officials to maximize security, especially in terror-prone areas, such as police posts, government offices, foreign-associated sites and embassies, he said on Thursday evening.

"[We are] on full alert because we cannot predict [terrorists'] movements. Their hiding places are not only in Jakarta or in Java but throughout Indonesia," he said, urging people to be aware of their surroundings and to cooperate with the police.

The blasts and gunshots on Jl. MH Thamrin in Central Jakarta on Thursday afternoon claimed seven lives, including five terrorists, police confirmed.

The police have coordinated with the Indonesian Military (TNI) regarding security measures. Authorities have also tightened security at airports across the country.

Mirna's father appeals to Jessica for honesty

Darmawan Salihin, the father of Wayan Mirna Salihin, is urging Jessica Kumala Wongso to cooperate with the Jakarta Police by telling them anything she may know about his daughter's death from drinking poison-laced coffee.

"Once more I remind her not to lie [to me and the police]. She claims she drank mineral water at the time," Darmawan said on Tuesday after being questioned by the Jakarta Police. Darmawan said he saw the cafe bill and no mineral water was listed, only two cocktails and the coffee that killed Mirna.

Darmawan also rejected a recent report saying that Jessica was close to Mirna and her family. Darmawan claimed that he first met Jessica when he visited Mirna at the Abdi Wahayo Hospital in Menteng, Central Jakarta, moments before she passed away.

"The point is that my daughter died because of the coffee that she ordered and paid for. You all know who she is," Darmawan said, indicating his suspicion of Jessica.

Metrotvnews.com, Surabaya The East Java provincial government plans to build two new airports in Blitar and Bojonegoro this year.

East Java Governor Soekarwo said he had proposed plan to build airport in Blitar to the central government. Approval from the central government is required because the city is located near an Air Force base.

New airport in Bojonegoro also needs license from the central government as it will have special purpose to support oil and gas industry in the region.

"The detail engineering design for Bojonegoro is still yet to be released," mentioned Soekarwo in Surabaya, Monday (2/1/2016).

Bojonegoro regency has prepared 195 hectares of land for the project where 175 hectares of land owned by PT Perhutani while the rest owned by the state.

Currently East Java has seven airports in Surabaya, Malang, Banyuwangi, Jember, Madiun, Madura and Gresik.

Indonesia on high alert after Jakarta attack

Jakarta—The National Police have tightened security across the country following several bombings and terror attacks in the heart of the capital on Thursday. National Police spokesman Insp Gen Anton Charlyan said that as of 5 p.m. Thursday, an alert one status was implemented nationwide.

The status was outlined for all relevant agencies and officials to maximize security, especially in nerve-point areas, such as police posts, government offices, investigation and trial courts, he said on Thursday evening.

"We are on full alert because we cannot predict [terrorists'] movements. Their hiding places are not only in Jakarta or in Java but throughout Indonesia," he said, urging people to be aware of their surroundings and to cooperate with the police.

The blast and gunshots on Jl. MH Thamrin in Central Jakarta on Thursday afternoon claimed seven lives, including five terrorists, police confirmed.

The police have coordinated with the Indonesian Military (TNI) regarding security measures. Authorities have also tightened security at airports across the country.

Indonesia on high alert after Jakarta attack

Jakarta—The National Police have tightened security across the country following suicide bombings and armed attacks in the heart of the capital on Thursday. National Police spokesman Insp Gen. Anton Charliyan said that as of 3 p.m. Thursday, an alert one status was implemented nationwide.

The status was escalated for all relevant agencies and officials to maximize security, especially in terror-prone areas, such as police posts, government offices, foreign-associated sites and embassies, he said on Thursday evening.

"[We are] on full alert because we cannot predict [terrorists'] movements. Their hiding places are not only in Jakarta or in Java but throughout Indonesia," he said, urging people to be aware of their surroundings and to cooperate with the police.

The blasts and gunshots on Jl. MH Thamrin in Central Jakarta on Thursday afternoon claimed seven lives, including five terrorists, police confirmed.

The police have coordinated with the Indonesian Military (TNI) regarding security measures. Authorities have also tightened security at airports across the country.

Mirna's father appeals to Jessica for honesty

Darmawan Salihin, the father of Wawan Mirna Salihin, is urging Jessica Kurnia Wongso to cooperate with the Jakarta Police by telling them anything she may know about his daughter's death from drinking poison-laced coffee.

"Once more I remind her not to lie [to me and the police]. She claims she drank mineral water at the time," Darmawan said on Tuesday after being questioned by the Jakarta Police. Darmawan said he saw the cafe bill and no mineral water was listed, only two cocktails and the coffee that killed Mirna.

Darmawan also rejected a recent report saying that Jessica was close to Mirna and her family. Darmawan claimed that he first met Jessica when he visited Mirna at the Abdi Waluyo Hospital in Menteng, Central Jakarta, moments before she passed away.

"The point is that my daughter died because of the coffee that she ordered and paid for. You all know who she is," Darmawan said, indicating his suspicion of Jessica.

Indonesia on high alert after Jakarta attack

Jakarta—The National Police have tightened security across the country following suicide bombings and armed attacks in the heart of the capital on Thursday. National Police spokesman Insp Gen Anton Charliyan said that as of 5 p.m. Thursday, an alert one status was implemented nationwide.

The status was escalated for all relevant agencies and officials to maximize security, especially in terror-prone areas, such as police posts, government offices, lounge-associated sites and embassies, he said on Thursday evening.

"[We are] on full alert because we cannot predict [terrorists'] movements. Their hiding places are not only in Jakarta or in Java but throughout Indonesia," he said, urging people to be aware of their surroundings and to cooperate with the police.

The blasts and gunshots on Jl. MH Thamrin in Central Jakarta on Thursday afternoon claimed seven lives, including five terrorists, police confirmed.

The police have coordinated with the Indonesian Military (TNI) regarding security measures. Authorities have also tightened security at airports across the country.

Mirna's father appeals to Jessica for honesty

Darmawan Salihin, the father of Wayan Mirna Salihin, is urging Jessica Karmala Wibisono to cooperate with the Jakarta Police by telling them anything she may know about his daughter's death from drinking poison-laced coffee.

"Once more, I remind her not to lie [to me and the police]. She claims she drank mineral water at the time," Darmawan said on Tuesday after being questioned by the Jakarta Police. Darmawan said he saw the cafe bill and no mineral water was listed, only two cocktails and the coffee that killed Mirna.

Darmawan also rejected a recent report saying that Jessica was close to Mirna and her family. Darmawan claimed that he first met Jessica when he visited Mirna at the Abdi Waluyo Hospital in Menteng, Central Jakarta, moments before she passed away.

"The point is that my daughter died because of the coffee that she ordered and paid for. You all knew who she is," Darmawan said, indicating his suspicion of Jessica.

Metrotvnews.com, Surabaya The East Java provincial government plans to build two new airports in Blitar and Bojonegoro this year.

East Java Governor Soekarwo said he had proposed plan to build airport in Blitar to the central government. Approval from the central government is required because the city is located near an Air Force base.

New airport in Bojonegoro also needs license from the central government as it will have special purpose to support oil and gas industry in the region.

"The detail engineering design for Bojonegoro is still yet to be released," mentioned Soekarwo in Surabaya, Monday (3/1/2016).

Bojonegoro regency has prepared 195 hectares of land for the project where 175 hectares of land owned by PT Perhutani while the rest owned by the state.

Currently East Java has seven airports in Surabaya, Malang, Banyuwangi, Jember, Madiun, Madura and Gresik.

Darmawan said he saw the cafe bill and no mineral water was listed, only two cocktails and the coffee that killed Mirna.

Darmawan also rejected a recent report saying that Jessica was close to Mirna and her family. Darmawan claimed that he first met Jessica when he visited Mirna at the Abdi Waluyo Hospital in Menteng, Central Jakarta, moments before she passed away.

"The point is that my daughter died because of the coffee that she ordered and paid for. You all know who she is," Darmawan said, indicating his suspicion of Jessica.

Metrotvnews.com, Surabaya. The East Java provincial government plans to build two new airports in Blitar and Bojonegoro this year.

East Java Governor Soekarwo said he had proposed plan to build airport in Blitar to the central government. Approval from the central government is required because the city is located near an Air Force base.

New airport in Bojonegoro also needs license from the central government as it will have special purpose to support oil and gas industry in the region.

"The detail engineering design for Bojonegoro is still yet to be released," mentioned Soekarwo in Surabaya, Monday (2/1/2016).

Bojonegoro regency has prepared 195 hectares of land for the project where 175 hectares of land owned by PT Perhutani while the rest owned by the state.

Currently East Java has seven airports in Surabaya, Malang, Banyuwangi, Jember, Madiun, Madura and Gresik.
